Angel

Judas Priest

Angel
Put sad wings around me now
Protect me from this world of sin
So that we can rise againOh angel
We can find our way somehow
Escaping from the world we're in
To a place where we began
And I know we'll find
A better place and piece of mind
Just tell me that it's all you want
For you and meAngel won't you set me free
Angel
Remember how we chased the sun
Then reaching for the stars at night
As our lives had just begun
When I close my eyes
I hear your velvet wings and cry
I'm waiting here with open arms
Oh can't you see
Angel shine your light on meAngel we'll meet once more I'll pray
When all my sins are washed away
Hold me inside your wings and stay
Angel take me far away
