

Some Wonder

[Jimmy Somerville](#)

Intro : Freedom for one night, freedom the light
Some wonder, light some my date
Some wonder, don't go this day
Chorus
Time is fast, time is fast, time is fast
going away
Time is fast, time is fast, time is fast
running away
Time runs with me, hunts with my feels and my dreams
But time will always meet my guiding light history
Chorus
Some wonder, don't go this day
Time gives me, gives me this love and this life
but time can easily take it all, all the way
Chorus
Freedom the light freedom to wonder.....
ohh
.....freedom to wonder, freedom the light
