

For What It's Worth

Mavis Staples

There's something happening here
 What it is ain't exactly clear
There's a man with a gun over there
 Telling me I got to beware
I think it's time we stop, children, what's that sound
 Everybody look what's going down
 There's battle lines being drawn
 Nobody's right if everybody's wrong
 Young people speaking their minds
 Getting so much resistance from behnd
I think it's time we stop, hey, what's that sound
 Everybody look what's going down
 What a field-day for the heat
 A thousand people in the street
 Singing songs and carrying signs
 Mostly say, hooray for our side
It's time we stop, hey, what's that sound
 Everybody look what's going down
 Paranoia strikes deep
 Into your life it will creep
 It starts when you're always afraid
You step out of line, the man come and take you away
 We better stop, hey, what's that sound
 Everybody look what's going down
 Stop, hey, what's that sound
 Everybody look what's going down
 Stop, now, what's that sound
 Everybody look what's going down
 Stop, children, what's that sound
 Everybody look what's going down
