

# The Mess

## Paul Mccartney

You sailed away one night in June  
I heard you say you would be back soon  
But since that day it's been on long loonOh, sweet darling the mess I'm inI spoke to Jimmy with the big tattoo  
Said had he seen any sign of you?  
He looked at me and then laughed at you  
See just wait a minuteOh, darling what a mess I'm inWhen I want ya do I get ya?  
All I needed your number  
Will you give me your number?Oh sweet darling, oh sweet darling  
Oh, sweet darling what a mess I'm in  
What a mess I'm in, since you left me  
What a mess I'm inWhen you're near me can you hear me?  
I can't see ya but I can feel ya  
When you're near me can ya hear me?
