

Put Ur Hands Up (Davis Harwell Remix)

Family Force 5

Ugly people put your hands down[Chorus]
You wanna throw down, g'on put hands up
Start the party now, g'on put your hands up
This is a stickup, yo, I didn't hiccup or stutter
It's like butter y'all
G'on put your hands up You wanna throw down, g'on put hands up
Start the party now, g'on put your hands up
Ain't nothing wrong with getting your party on
C'mon c'mon c'mon and g'on put your hands up Step one
Listen up loud and clear Because we got a little something to put n your ear
I know you came to have a good time so kick off your shoes and relax your
Mind
Now put on your other shoes to make you dance
Cause if you don't you might never get the chance Step two
Raise those arms off your sides
Yeah you got it. now stick em up in the sky
Uh oh uh oh
Just throw em over your shoulder
Uh oh uh oh
If your young or if your older
Uh oh uh oh
'Cause youse a high roller
Ugly people put your hands down[Chorus] You wanna throw down, g'on put hands up
Start the party now, g'on put your hands up
This is a stickup, yo, I didn't hiccup or stutter
It's like butter y'all
G'on put your hands up
You wanna throw down, g'on put hands up
Start the party now, g'on put your hands up
There's nothing wrong with getting your party on
C'mon c'mon c'mon and g'on put your hands up Step four
Did you get left behind because if you did we gonna press rewind
I have feeling
We should be dealing
With the fact sweat's dripping from the ceiling
It's a fact, step 3 is so whack
Sike Now flip the track back jack Uh oh uh oh
Just throw em over your shoulder
Uh oh uh oh

If your young or if your older
Uh oh uh oh
'Cause youse a high roller
Ugly people put your hands down[Chorus]You wanna throw down, g'on put hands up
Start the party now, g'on put your hands up
This is a stickup, yo , I didn't hiccup or stutter
It's like butter y'all
G'on put your hands up
You wanna throw down, g'on put hands up
Start the party now, g'on put your hands up
There's nothing wrong with getting your party on
C'mon c'mon c'mon and g'on put your hands upUh oh uh oh
Just throw em over your shoulder
Uh oh uh ohIf your young or if your olderUh oh uh oh'Cause youse a high rollerUgly people put your hands
