

# Live To Tell The Tale

## Passion Pit

This is the room where we always dreamed  
Of grass and splendid evenings  
Emitting frequencies  
Lost between the leaves and things And I held on brightly, crushing quietly  
Feeling mountains rising out of  
Make-believe seas, creating typhoons  
Of feelings not easily made without need God bless that smile on your face  
God bless the seeds in the ground  
God bless my family's keen gaze  
Oh, I know That whatever happens to you  
Whatever happens to me  
I hope that I'll fall asleep  
Knowing that you'll always be  
The story with no ending The whole slew blossomed beautifully  
And I was beside myself  
So I gave into your love  
As you rapturously commanded And this is like I have always dreamed  
Cobblestone and dusty feet  
That's the way it should always be  
Head over heels and deftly  
Wonderful and healthy God bless that smile on your face  
God bless the seeds in the ground  
God bless my family's keen gaze  
Oh, I know That whatever happens to you  
Whatever happens to me  
I hope that I'll fall asleep  
Knowing that you'll always be  
The story with no ending I never thought you were here  
You've never left me, have you?  
You've never left me at all  
Not once, and I'm sorry I'm such a bore  
I'm sorry I am so hard  
I swear to God, I'll be good  
From now on, and God bless that smile on your face  
God bless the seeds in the ground  
God bless my family's keen gaze  
Oh, I know That whatever happens to you  
Whatever happens to me  
I hope that I'll fall asleep

Knowing that you'll always be  
The story with no ending  
God bless that smile on your face  
God bless the seeds in the ground  
God bless my family's keen gaze  
Oh, I know  
That whatever happens to you  
Whatever happens to me  
I hope that I'll fall asleep  
Knowing that you'll always be  
The story with no ending
