

Falling

Keri Noble

Standing here outside your door
Not sure if you're home
Wondering if I'm a fool
Maybe I should go Usually I'm fearless
But I've become undone
A clown without even a disguise
Now everyone will know that I've Fallen, fallen, I've fallen in love
And I can't make sense of it Don't know how this happened
I can't say for sure
But suddenly I'm incomplete
Sustaining on the hope If you should see me face to face
If you could hear my heart
You might feel this terrifying something rising up and you've Fallen, fallen, you've fallen in love
And you can't make sense of it
