Underneath the Tree

Kelly Clarkson

You're here where you should be Snow is falling as the carols sing It just wasn't the same Alone on Christmas day Presents, what a beautiful sight Don't mean a thing if you ain't holding me tight You're all that I need Underneath the tree TonightI'm gonna hold you close Make sure that you know I was lost before you Christmas was cold and grey Another holiday alone to celebrate But then one day everything changed You're all I need Underneath the treeYou're here where you should be Snow is falling as the carols sing It just wasn't the same Alone on Christmas day Presents, what a beautiful sight Don't mean a thing if you ain't holding me tight You're all that I need Underneath the treeI found, what I was looking for A love that's meant for me A heart that's mine completely Knocked me right off my feet And this year I will fall With no worries at all 'Cause you are near and everything's clear You're all I need Underneath the treeYou're here where you should be Snow is falling as the carols sing It just wasn't the same Alone on Christmas day Presents, what a beautiful sight Don't mean a thing if you ain't holding me tight You're all that I need Underneath the treeAnd then one day everything changed You're all I need

Underneath the tree You're here where you should be Snow is falling as the carols sing It just wasn't the same Alone on Christmas day Presents, what a beautiful sight Don't mean a thing if you ain't holding me tight You're all that I need Underneath the tree Tonight
