Cap'n Jazz

the kid plays switch stance. he's so unsituated. giggling girls. his hair curls. i know he knows i know he's overrated. displaced in his placement. tripped up in a statement. i'm not like him. that kid, he plays switch stance. opening everything leaves nothing open. he'll keep justifying. he knows i'll continue to bitch. you're not wrong. i'm not right. i'm not wrong. you're not right. show me your face. what's your face.
