ZZ Top

You look like who you say you are..
So scoot over let me drive your car..
Roll down the glass and give me some wind..
Lock all the doors im on the loose again (alright)..

Never sunk behind the wheel i guess..
Since that job in 1956..
I can't wait til i can do it again..
Can't keep my nose clean livin with sin (alright)..

I had a friend down in alcatraz..
He had the money and machine guns stashed..
Busted out 2:21..
Im gonna rob still tottin' my gun (alright)..
