

Big Shot

Pearls

What you want to be the big shot for man?
What you want to be the big shot for man?

'Cause I got no fun and I got no money
(I got no fun, I got no money)
'Cause I got no fun and I got no money
(I got no fun, I got no money)

What you want to push the good time for man?
What you want to push the good time for man?

'Cause I got no fun and I got no money
(I got no fun, I got no money)
'Cause I got no fun and I got no money
(I got no fun, I got no money)

'Cause I got no fun and I got no money
(I got no fun, I got no money)
'Cause I got no fun and I got no money
(I got no fun, I got no money)

'Cause I got no fun and I got no money
(I got no fun, I got no money)
'Cause I got no fun and I got no money
(I got no fun, I got no money)

'Cause I got no fun and I got no money
(I got no fun, I got no money)
'Cause I got no fun and I got no money
(I got no fun, I got no money)
