Life Goes On (Demo)

Channel 3

Don't want to talk to you
So much pain that you put me through
Only one thing on my mind
Life goes on, life goes onAnd you hurt me to a large amount
And you knocked me down for the count
I'll get back up, brush off my pants
Life goes on, life goes onWhere were you
When I needed you last night?
I'd hold you, girl
But you just ain't worth the fight
Life goes on
Life goes onAnd the hurt, it still remains
Time will cure this bit of pain
Cried before, I'll cry again
Life goes on, life goes onMade me look like a fool
Sitting up for a bitch like you
I never want to see your face again
Life goes on, life goes on
Where were you
When I needed you last night?
I'd hold you, girl
But you just ain't worth the fightLife goes on
