

# Be Easy

## Sharon Jones and the Dap-Kings

Some people say, you gotta fight for a love thats true  
Climb every mountain to see every trial and tribulation  
And Im here to tell you, ooh, thats only half the lesson, yeah  
Now if you want a girl to come to you  
You gotta leave a little room for guessin', yeah Oh, just be easy, baby  
That girl will come a runnin to you  
If you just be easy, baby  
Ah, shell be easy too Dont you know its just a fool who plays love hard?  
Runnin' a girl down like shes again in a school yard  
Now if she waves you should turn and let her alone  
Shell come to you just as sure as you're born Be easy, baby  
That girl will come a runnin to you  
If you just be easy, baby  
Ah, shell be easy too Dont you know, a woman dont want a man down on his knees, no?  
Runnin her down like a mouse after cheese  
You gotta be mellow if you want her affection  
You get too excited and shes off in another direction So be easy, baby  
That girl will come a runnin to you  
If you just be easy, baby  
Ah, shell be easy too Oh, be easy, baby  
Oh, that girl will come a runnin to you, oh
