

Who's Joe?

New Order

Hey Joe, what you doing?
It seems like it's all going wrong
There's a storm in the sky passing over
And it looks like it's going to be strong
You've got eyes like an old wounded soldier
They cry tears to be lost in the wind
Hey Joe

Hey Joe

Hey Joe

What you gonna do? I'll look for you

And I'll get you home

Wherever you go

Whatever you do

I've got to find you

I've got to find you

(Whatever I do) I'll look for you

And I'll take you there

Wherever you go

Whatever you do

I've got to find you

Whatever I do

(Whatever I do) Hey Joe, what you doing?

They say you don't care anymore

You had your heart broke by a woman

Now it doesn't work anymore
She said that you had it coming

That you were no good from the start
Hey Joe

Hey Joe

Hey Joe

It's time to go home
I'll look for you

And I'll get you home

Wherever you go

Whatever you do

I've got to find you

I've got to find you

(Whatever I do) I'll look for you

And I'll take you there

Wherever you go

Whatever you do

I've got to find you

Whatever I do

(Whatever I do) Whatever I do

(Whatever I do)
Whatever I do
(Whatever I do)
Whatever I do
(Whatever I do)
Whatever I do
(Whatever I do)
