

# The Road Home (Edit)

## Heart

On the road home, got the radio on  
And all the miles are running by  
Like so many songs, you and I, on the road home  
Partners in our travelin', lovers in our soul  
Oh, oh, the highway runs so clear  
Oh, oh, grinning from there to here  
I'll tell you a story from the heart and from the bone  
And I will tell you everything on the road  
On the road home, in the early spring  
Locked up in my silence, alone with everything  
But no, no, oh, you said no, no, no, no  
And if you find the words won't come  
Just you stand and sing  
And oh, oh, the highway runs so clear  
Oh, oh, grinning from there to here  
You know I love singin' it, the silence that is home  
And now we've put the same on the road  
On the road home, yeah, goin' home  
On the road home, we see the yellow moon rise  
And I feel what you are feelin' 'cause I see it with your eyes  
You see romance, your sweet love song  
Standin' in that moonlight, two hearts can't be wrong  
Oh oh, la la la la, oh oh, la la la la  
Oh oh, la la la la la la, la la  
On the road home, I'm goin' home  
Yeah, goin' home, on the road home  
On the road home
