I wanna be a rock star, but I ain't got what it takes Need the drive and the determination and lucky breaks I wanna be a rock star, yeah, but I ain't got the face Oh still I wanna be a rock star, but ain't got what it takes Seeing my face up on the TV Hearing my songs on the radio People waiting all day in line to see me Doing my pose for Rolling Stone It's alright, yeah, it's alright, c'mon I wanna be a rock star, but I ain't got what it takes Need the drive and the determination and lucky breaks I wanna be a rock star, yeah, but I ain't got the face Oh still I wanna be a rock star, but I ain't got what it takes Living lifestyles of the rich and famous Turning all heads in the music scene Flying in my own jet plane to Vegas I'm riding in a big black limousine It's alright, said, it's alright I wanna be a rock star, but I ain't got what it takes Need the drive and the determination and lucky breaks I wanna be a rock star, yeah, but I ain't got the face Oh still I wanna be a rock star, but I ain't got what it takes No, I ain't got nothing, but to you I'm something Something so much more It's alright, it's alright Yeah it's alright, it's alright I wanna be a rock star, but I ain't got what it takes Need the drive and the determination and the lucky breaks I wanna be a rock star, yeah, but I ain't got the face Yeah, still I wanna be a rock star, but I ain't got what it takes You know I wanna be a rock star But I ain't got what it takes Oh I said, "I wanna be a rock star But I ain't got what it takes"
