

# Much More

## Alpine

One day  
I will know  
Something more  
One day  
I will watch  
it dissolve  
I will find love, I will find love in that there's  
Something more than what we want  
Something more than the drugs you take  
Something more than the beer I sip  
Ooh  
Hallelujah! On my own  
Can't feel  
Can't feel  
Can't see  
Or touch  
Can't love  
Can't grasp  
It's more  
One day  
I will touch  
something more  
One day  
I will watch  
It dissolve  
Something more than what we want  
Something more than the drugs you take  
Something more than the beer I sip  
Ooh  
Hallelujah! On my own  
Can't feel  
Can't feel  
Can't see  
Or touch  
Can't love  
Can't grasp  
It's more  
Can't feel  
Can't feel

Can't see  
Or touch  
Can't love  
Can't grasp  
It's more  
Ooh

Hallelujah! On my own
