

# A Beautiful Woman

## Deradoorian

When I sunk  
Into the sea  
When you saw  
What I did to me  
Like I could fall to my knees  
And worry about everythingIt might hurt  
But I'll be  
On my way to better things  
You don't want  
What I need  
The veil lifts my prophecyA beautiful woman  
Beautiful woman  
You're the one I wanna be  
A beautiful woman  
Beautiful woman  
You're the one I wanna see  
Well you're a beautiful woman  
A beautiful woman  
The one with ruby seams  
Beautiful woman, beautiful woman  
Beautiful woman, beautiful womanAnd in a blur  
There seemed to be  
Only downward  
Plummeting  
To the blackness of my e-  
Go crushed from reality  
And even though  
I know these things  
The forces still arrested me  
Threw me down  
Made me think  
I'll never beA beautiful woman  
Beautiful woman  
You're the one I wanna be  
A beautiful woman  
Beautiful woman  
You're the one I wanna see  
Well you're a beautiful woman  
A beautiful woman

The one with ruby seams  
Beautiful woman, beautiful woman  
Beautiful woman, beautiful womanUnder the water lies the core  
The mother that births what comes to shore  
Steeped in the womb until it's born  
The boiling fire creates the stormA beautiful woman  
Beautiful woman  
You're the one I wanna be  
A beautiful woman  
Beautiful woman  
You're the one I wanna see  
Well you're a beautiful woman  
A beautiful woman  
The one with ruby seams  
Beautiful woman, beautiful woman  
Beautiful woman, beautiful woman
