Hey Alli

Runner Runner

Says she wants to move to California
To chase down her dream.
Says she wants the role in some big movie
Be a drama queen.
Well I'll roll with her
So she won't get hurt.
Here it is, I'll lay it out for you
Here it is, I'm telling you the truth.
Hey Alli, I'm
falling faster all the time.
It's all for you,
this heart of mine.
I'm in too deep,
I fall to my knees.
She's the girl of my dreams.
Says she wants to move to New York City
And dance on the stage.
On the crowded streets you look so pretty
In the pouring rain.
Well I'll roll with her
So she won't get hurt.
Here it is, I'll lay it out for you
Here it is, I'm telling you the truth.
Hey Alli, I'm

falling faster all the time.
It's all for you,
this heart of mine.
I'm in too deep,
I fall to my knees.
She's the girl of my dreams. (Hey Alli, Alli)
She's the girl of my dreams.
And if I fall apart
Just know these words are true. (Know these words are true)
And if I fall....
Hey Alli, I'm
falling faster all the time.
Hey Alli, I'm
falling faster all the time.

It's all for you,
this heart of mine.
I'm in too deep
I fall to my knees.
She's the girl of my dreams. (Hey Alli, Alli)
Hey Alli, I'm
falling faster all the time.
It's all for you,
this heart of mine.
I'm in too deep
I fall to my knees.
She's the girl of my knees.
