

Son of a Bitch

Highasakite

Oh grand gesture, enter the room
hold my hair while I vomit
Help me navigate, keep me floating
Take the highway to the ceiling
Na Noo, Na Noo, Naooo, nonaaooo
Na Noo, Na Noo, Naooo, NoNaoooo
Son of a bitch, I mean forget about it, get about it
How many others have you been a so called hero for
in and out of physical, typical fantasies
Son of a bitch, forget about it, get about it
how many others have you been a so called hero for,
in and out of physical, typical fantasies
Son of a bitch
Repeat
