

# Lillian

## Delays

She is deafeningly pretty  
Echoes are everywhere  
So I drink to gain her pity  
But she don't care

(Woo-ooo-ooo-ooo-ooo-ooo-ohhh)

I love you Lily, but you're never alone  
(Never alone)

Oh, in my dreams I fail to see  
Why you cannot come home with me  
I lay, lay, scheme and play  
I can touch you but you shimmy away

(Woo-ooo-ooo-ooo-ooo-ooo-ohhh)

I love you Lily, but you're never alone  
I love you Lily, but you're never alone  
I love you Lily, but you're never alone  
I love you Lily, but you're never alone

Never, no never  
Never, no never... alone

Any day, any way  
Any day, what if I live forever?

Oh, in my dreams we make a scene  
To end our scenes with love supreme  
But I lay, lay, scheme and play  
Traces of you trouble my view tonight

(Woo-ooo-ooo-ooo-ooo-ooo-ohhh)

I love you Lily, but you're never alone

I love you Lily, but you're never alone
