

Cish Cash

Basement Jaxx

Yo yo yo Miss that so you want to kick that
All messed up and that's a fact
If you want to risk that do that
Yo yo yo Guess it's time for pay back
So you want your cish cash
Owe it all to splish splash
So mish mash you 'spect to go go go
Yo yo yo yo [Chorus]
You want it, you take it
You take it, you got it
You want it, you take it
You're insatiable! It's not enough you want more of it
It's not enough must have all of it
Overflowing on overkill
All the hands are out for their pound of flesh It makes the world spin round and round
The hands are out for their bloody pound
Overflowing on overkill
Sticky lickie yummy yummy
Dipping in the milk and honey [Chorus] They say it makes the world spin round It's not enough you want more of
it
It's not enough must have all of it
Overflowing on overkill
All the hands are out for their pound of flesh It makes the world spin round and round
The hands are out for their bloody pound
Overflowing on overkill
Sticky lickie yummy yummy
Dipping in the milk and honey [Chorus] They say it makes the world spin round They say it makes the world spin
round Miss that so you want to kick that
All messed up and that's a fact
If you want to risk that do that
Yo yo yo Guess it's time for pay back
So you want your cish cash
Owe it all to splish splash
So mish mash you 'spect to go go go
Yo yo yo yo [Chorus] Sticky lickie yummy yummy
Dipping in the milk and honey They say it makes the world spin round Splish splash coming for your cish cash
