Disconnected

The Red Jumpsuit Apparatus

You know that you are
The center of my attention
And you leave me no choice.
Tripping on to the floor
Looking at my reflection
As I follow the chord to your voice
As it rings on through
Your voice clearly receptive
Like the day we met I knew.

Don't hang up on me, cause
I'm hung up on you
Don't tell me how to feel
Like you always do
I know you're right
I don't want to fight
Is this how our story ends
Or a new chapter begins?

As the days roll by
Can't help myself
Just sit and wonder why
Was it something I said
Something I did my girl?

Your wilted roses make me cry
A sentimental sign of rejection
As I follow the chord to your voice.
As it rings on through
Your voice clearly receptive
Like the day we met I knew.

Don't hang up on me
'Cause I'm hung up on you
Don't tell me how to feel
Like you always do
I know you're right
I don't want to fight
Is this how our story ends
Or a new chapter begins??

Begins

Don't hang up on me
'Cause I'm hung up on you
Don't tell me how to feel
Like you always do
I know you're right
I don't want to fight
Is this how our story ends
Or a new chapter begins?
(repeat)
