

Realer Than Love (feat. Francis)

Klave

By Greymshadowmeare

Don't deny me. Cause I feel it
It's your heartbeat, it's your hands
Don't deny me. From this feeling

Cause I could never say goodbye,
No I can't let you go.

Cause it's, cause it's realer than love.
And I won't let it go,
No no no

Cause it's realer than love.
Cause it's realer than love.

And I won't let it go,
No no no no

Cause it's realer than love.

Love, love.

It's not like I'm trying, to be so ungrateful
It's just that I hated, myself

But then I decided, I needed to wake up
To hold in the light, to be by your side

So please don't deny me, cause I feel it
It's your heartbeat, it's your hands

It's the feeling, of your body
And your spirit, in the dance

And I could never say goodbye,
No I can't let you go

Cause it's. cause it's realer than love,

And I won't let it go, no no no

Cause it's realer than love.

Cause it's realer than love.

And I won't let it go,
no no no no,
Cause it realer than love.
Love, love
