I'm Hungry

The Sugarcubes

I wake up and know that
This is the day I'm leaving
I'm going alone with no map
I need room I need space
Have to try something that
Hasn't been done before
I want to go to places
Where I don't know what its like

Listen, I'm hungry
Thirsty for surprises
Ready for experience
Have to get what I need right now

I'm by the road hitchhiking
And a car has stopped.
As I climb in to it,
I'm struck with hunger

Have to try something that
Hasn't been done before
I want to go to places
Where I don't know what its like...

Listen, I'm hungry
Thirsty for surprises
Ready for experience
Have to get what I need right now
Listen, I'm hungry
Ready for surprises
Thirsty for experience
Have to get what I need right now

E> Am I on my way out?
E> Lying in the grass, and allow myself to dream
E> Am I going further?

E> I want to go on, am I dreaming?
E> Have I gone crazy myself
E> Shake my head can someone find me

Listen, I'm hungry
Listen, I'm hungry
