

Tu Amor (Navidad Remix)

[RBD](#)

Mi amor, I'm not sure of the right words to say
Maybe these simple words will do best to best explain What I feel in my heart, what I feel more each day
Oh, how to make you see, how to let you know
How to say, how to say how I love you so With words you understand
Words that get right through to your heart
Here's the place to start Tu amor, I will always be
Tu amor means the world to me
Esteras siempre en mi corazon
You're the one in my soul
And I live for tu amor, tu amor Mi amor love you more with each look in your eyes
Maybe these simple words will do best to best describe What I feel in my heart, what I'll feel for all time
Oh, how to make you see, how to let you know
How to say, how to say how I need you so With words you understand
Words that get right through to your soul
Words that let you know Tu amor, I will always be
Tu amor means the world to me
Esteras siempre en mi corazon
You're the one in my soul
And I live for tu amor, tu amor you're the one that I need in my arms
Believe me these words I say
Are words that come straight from my heart
How do I make you believe
Nothing else means as much as what you mean to me Tu amor, I will always be
Tu amor means the world to me
Esteras siempre en mi corazon
You're the one in my soul
And I live for tu amor, tu amor Tu amor
Tu amor, I will always be
Tu amor
Tu amor, I will always be Tu amor
Tu amor Tu amor
