

Phantasmagoria (demo with Randy Rampage)

Annihilator

["Phantasmagoria is a form of psychological disorder where the victim has visions of ghosts in his/her mind. these apparitions multiply, eventually driving the victim nuts. weird, eh? all our friends who remember the phantasmagoria 1986 demo should find this quite happening and very heavy. cheers!"]I have chosen you my

friend, you're mine

Locked inside this frightening dream

Nowhere to hide

Every night my demons you will see

An apparition festival, through hell you'll ridePhantasmagoria

Sleep well

Phantasmagoria

In hellSome one here is calling out your name

Look out, I play inside your brain

Fleeing from my shadows, you'll never pass my test

Don't you know that ghosts never restPhantasmagoria

Sleep well

Phantasmagoria

In hellApproaching, you writhe, we take control

Unholy inquisition, sentence very cold

My servants, demons, take you down the hole

Your mind destroyed, now I want your soulPhantasmagoria

Sleep well

Phantasmagoria

In hellPhantasmagoria

Phantasmagoria

In hell!
