

Without You

Frankie J

Yeah, here's another one
Soul shock callin' Frankie J
Here's another one yeah
Yeah feel this right here It feels like only yesterday
That you was lyin' here with me
I still hear you say, "Oh yea"
I love the way you say, "Oh yea" But now it's just a memory
And I'm knowin' that it was my fault
By thinking I could brush it off
You always with me sayin' "Oh yea"
So what it's 5 am I'm checkin' in when I check in Baby I was thinkin', I'm so slick
When I know that I've done you wrong
But you never know what you got
'Til what you got is gone, yeah Gotta try to make it through
Without you
And there's nothin' I can do
Come on home baby Gotta try to make it through
Without you
And there's nothin' I can do
Come on, come on, come on yeah I remember coming home that night
Knowing something wasn't right
I was saying, "Oh yea"
I'm sure that all her things are packed
And it's just too late to get her back I didn't even have to read the note
Just to know that your heart was broke
I was thinkin' oh yea
You had more than you can stand
I should have been a better man Baby I was thinkin', I'm so slick
Girl I was doin' you so wrong
But you never know what you got
'Til what you got is gone Gotta try to make it through
Without you
And there's nothing I can do
Come on home baby Gotta try to make it through
Without you
And there's nothin' I can do
Come on, come on, come on baby I'm so sorry for the things I've done
Should have put you number one
But I've been playin' myself

'Cause I know now that you're all I want
But if you give me one more chance
I'll break it down for you lady
No more playin' around
Baby I'm gonna be there for you
Gonna make it through
Gotta try to make it through
Without you
And there's nothin' I can do
Gotta try to make it through
Without you
And there's nothin' I can do
Gotta try to make it through
Without you
And there's nothin' I can do
Gotta try to make it through
Without you
And there's nothin' I can do
