Perfect For Me

Mark Rosas

What it do, Baby blue
Who am I, Who are you
Do you think
That we could ever be
One instead of two
What it is
About you is
I love everything your kiss
Your lips your eyes your nose
You're perfect
You're perfect for me me me me me
You're perfect for me me me meee me
You're perfect for me
I know I'll never get you girl
If I let you go and forget you girl
So I call and I text you girl
To let you know
I want next to you girl
We've been playin musical chairs
For years
Walkin up and down the stairs
Smile as we pass every once in a while
Used to buy a little grass
From your brother as a child
Now I'm grown up
Maybe not but I know enough
And if i don't
I aint gonna show her love
Be strong
Take your broken heart
Sew it up
No stairs
This elevator's goin up
I'll be your paradise
Million dolla gamble
The odds are against us
But I've got it handled
Cause
I'm talkin in the mirror today

Cause when i see you in the street
I never say
What it do, Baby blue
Who am I, Who are you
Do you think
That we could ever be
One instead of two
What it is
About you is
I love everything your kiss
Your lips your eyes your nose
You're perfect
You're perfect for me
I know you'll never get me girl
if i don't let you know
who i am pretty girl
but in my head
i see you dancin and twirlin
ill be your beach boy you can be my city girl
Love and happiness
But in nappiness
Peanut butter skin
salt water taffy lips
Cu-pid said
love aint an accident
ran outta arrows
so he hit me with a javelin
Travelin
Willberry mixed with the ramblin

Man Man i wanna feel more like a jam band
you my good time girl whats happenin
Tv on the radio's gotta keep cracklin
I ain't an actor
You ain't an actress
I want a real love
No cameras No videos
No cameos No champagne (No champagne?)
Damn...
I'm talkin to myself again
Cause when i saw you on the street
What it do, Baby do
Who am I, Who are you
Do you think
That we could ever be

One instead of two
What it is
About you is
I love everything your kiss
Your lips your eyes your nose
You're perfect
You're perfect for me me me me me
You're perfect for me me me meee me
You're perfect for me me me me me
You're perfect for me me me meee me
You're perfect for me
It hurts when I bite my tongue
With my teeth now it's three years later
And I still cant speak
I got
every sneaker
But I still cant sneak
A peek so I'm still lookin for a girl dats cheap
I'm a freak
Feelin like a hunchback
In the corner
With the dunce cap
Put a hole in my heart
With a thumbtack
If you loved me
I never woulda done that
What it do, Baby blue
Who am I, Who are you
Do you think
That we could ever be
One instead of two
What it is
About you is
I love everything your kiss
Your lips your eyes your nose
You're perfect (You're perfect)
What it do, Baby blue
Who am I, Who are you
Do you think
That we could ever be
One instead of two
What it is
About you is
I love everything your kiss
Your lips your eyes your nose

You're perfect
You're perfect for me me me me me
You're perfect for me me me meee me
You're perfect for me me me me me
You're perfect for me me me meee me
You're perfect for me
