Lmfao

I'm still fucked up!
If you not drunk ladies & gentlemen
Get ready to get drunk up
Let's do it, Ha Ha
Margaritas
You know what
Lil Jon
Yeah
All of the alcoholics
Where you at
Lets go
Hey(x8)
Let's go!
When i walk in the club
All eyes on me
I'm with the party rock crew
All drinks are free
We like ciroc
We love patron
We came to party rock
Everybody its on
Let's go
Shots shots shots shots shots shots
shots shots shots shots shots
shots shots shots shots shots
everybody (x2)
Hey (x21)
The ladies love us
When we pour shots
They need an excuse
To suck our cocks
We came to get crunk
How 'bout you?
bottles up
let's go round two

Shots shots shots shots shots shots
shots shots shots shots shots
shots shots shots shots shots

everybody (x2)

If you ain't getting drunk get the fuck out the club

If you ain't takin shots get the fuck out the club

If you ain't come to party get the fuck out the club

Now where my alcoholics let me see ya hands up

What you drinkin on?

Jager bombs

Lemon drops

Buttery Nipples

Jell-o Shots

Kamikaze

Three Wise Men

Fuck all that shit

Get me some Gin

Shots

Patron on the rocks and I'm ready for some shots

The women come around everytime I'm pourin' shots

Their panties hit the ground everytime I give em shots

So cups in the air, everybody lets take shots.

If you feelin drunk put ya hands in the air

& If you tryin to fuck put ya hands in the air

Now say I'm fucked up (I'm fucked up)

I'm fucked up (I'm fucked up)

I'm tryna fuck (I'm tryna fuck)

I'm tryna fuck (I'm tryna fuck)

Shots

patron on the rocks and i'm ready for some shots

The women come around everytime I'm pourin' shots

Their panties hit the ground everytime I give em shots

So cups in the air, everybody lets take shots.

La dad a da

La dad a dad a da (x8)
