

Eye of the Witch

King Diamond

It's so cold inside
On this summer's night
Black clouds in the sky
Dancing before my eyes
I'm losin' track of timeIt's the eye of the witch
It's the eye of the witch, yeahThunder bring the rain
Penetrate my brain
I am no more the same
That special night has come again
Losin' track of timeIt's the eye of the witch, yeah
The eye, the eye, the eyeAnother glass of wine
To heat the blood of mine
And as I look inside
The necklace called 'The Eye'
I'm goin' back in timeIt's the eye of the witch
It's the eye of the witch, yeah
The eye, the eye, the eye
