Minds Eye

soulTec

When the time is right and the night is bright
We will see the things we've come to find
I've been searching for just a little more
But the days girl just slip away, oh yeah
And the red sunset that we just met girl
I can see forever, yeah, yeah, oh yeahCome and see the minds eye
We can find her if we try
Come and see the minds eye
Transfixed upon the why
Come and see the minds eye
We can find her if we tryWell, they say it's right if it feels alright
When your love burns up in the mire
So I burnt a fire for a lost desire
See it burning higher, yeahCome and see the mind's eye
We can find her if we try
Come and see the mind's eye
Transfixed upon the why
Come and see the mind's eye
We can find her if we try, oh yeahCome and see the mind's eye
We can find her if we try
Come and see the mind's eye
Transfixed upon the whyThe mind's eye
Right nowCome and see the minds eye
We can find her if we try
Come and see the minds eye
We can find her if we try, oh yeah
