Truth Before Treason

â€”Lyrics from Live This Down

Itâ€™s time for we the people to stand and fight

What good is a free country if there is no privacy from its government?

What good is a nationâ€™s constitution, when its leaders can violate it at any time without any reaction from its inhabitants?

Our time is now

Our time is now

We must rise above this

We must rise above this

We have the power to change this
