Do What You Like

French Affair

Do what you like

What you want tonight?

Show me all your loving

And I make you highTell me what you like?

Is burning in your eyes

Baby, don't be shy

Your love was no disguiseTell me what you like

Do what you like

What you want tonight?

Do what you likeIf you want it like this

Or if you want like that

You've gonna tell me what's inside your mind

You've gonna show me what you really likeIf you want me to do

What you really wanna do

You gonna show all your secret's to me

So I can seeTell me all your fantasy

And now I'll tell you mine

I want you close to me

I want you for tonightGonna let your body flow

I don't see nothing wrong

Baby, don't go too so slow

And keeping it going onDo what you like

What you want tonight?

Show me all your loving

And I make you highTell me what you like?

Is burning in your eyes

Baby, don't be shy

Your love was no disguiseTell me what you like

Do what you like

What you want tonight?

Do what you like[Foreign Content]If you wanna make it real

What you really, really feel

You gonna tell me

And express yourself

Don't put your lovin' on a shelfIf you want us to be one

Not only have some nights of fun

You gonna show all your secrets to me

So I can seeTell me all your fantasy

And now I'll tell you mine

I want you close to me I want you for tonightGonna let your body flow I don't see nothing wrong Baby, don't go too so slow And keeping it going onDo what you like What you want tonight? Show me all your loving And I make you highTell me what you like? Is burning in your eyes Baby, don't be shy Your love was no disguiseDo what you like What you want tonight? Show me all your loving And I make you highTell me what you like? Is burning in your eyes Baby, don't be shy Your love was no disguiseDo what you like Do what you like Tell me what you like? Do what you like
