## Here With Me

## **MercyMe**

I long for your embrace
Every single day
To meet you in this place
And see you face to faceWill you show me?
Reveal yourself to me
Because of your mercy

I fall down on my kneesAnd I can feel your presence here with me Suddenly I'm lost within your beauty

Caught up in the wonder of your touch
Here in this moment I surrender to your loveYou're everywhere I go

I am not alone

You call me as your own

To know you and be knownYou are holy

And I fall down on my kneesI can feel your presence here with me

Suddenly I'm lost within your beauty

Caught up in the wonder of your touch

Here in this moment I surrender to your loveI surrender to your grace
I surrender to the one who took my placeI can feel your presence here with me
Suddenly I'm lost within your beauty

Caught up in the wonder of your touch

Here in this moment I surrenderI can feel your presence here with me
Suddenly I'm lost within your beauty
Caught up in the wonder of your touch
Here in this moment I surrender to your love
