

Revenge

Riddlin' Kids

Hello, my friend it's good to see you once again
Alright, let's make believe that everything is okay, I guess
Could melt to everything I didn't do So what, your conscience on vacation too?
No three day weekend's gonna relax you
But one day when I get my sweet revenge It's the last time I believe that you're my friend
Well, I won't ever believe your lies again
If I could somehow make you cry, I'd do it fifty million times
Even then you wouldn't understand I could not let your cooperation let me hate my life
Pack me up and the coroner helped me ask this one too many times
Make it so that I don't wanna sing Like a watch you'll chain everything
And I don't even wanna hear your name
'Cuz things will never be the same again It's the last time I believe that you're my friend
Well, I won't ever believe your lies again
If I could somehow make you cry, I'd do it fifty million times
Even then you wouldn't understand Now you've gone and pushed me to the edge
Freeze, then it's not home again
Having surely, you'll regret
'Cuz you can bet that I won't soon forget And you can try say, you loved us through
But you'll be sorry when I'm done with you
'Cuz you're the one who caused the death of me
I'm the jaded shell of the nice guy I used to be, go Hello, my friend it's good to see you once again
Alright, let's make believe that everything's okay, I guess It's the last time I believe that you're my friend
Well, I won't ever believe your lies again
If I could somehow make you cry, I'd do it fifty million times
Even then you wouldn't understand, go
