Light and Day

The Polyphonic Spree

Light and day is more than you'll say

Because all
My feelings are more
Than i can let by
Or not
More than you've got
Just follow the day

Follow the day and reach for the sun!

You don't see me flyin to the red
One more you're done
Just follow the seasons and find the time
Reach for the bright side
You don't see me flyin to the red
One more you're nuts
Just follow the day
Follow the day and reach for the sun

Just follow the day
Follow the day and reach for the sun!

You don't see me flyin to the red
One more you're nuts
Just follow the seasons and find the time
Reach for the bright side
You don't see me flyin to the red
One more you're nuts
Just follow the day
Follow the day and reach for the sun!

Just follow the day
Follow the day and reach for the sun!

Just follow the day
Follow the day and reach for the sun!
