

# Gimme a Simple Song

## Gina Sicilia

Give me a hug  
Give me a kiss  
Give me one or give me six  
All I need's a simple touch  
Ohhh Ohh Ohh

Go 'head and pour me some wine  
Be it red or be it white  
It's all good it's all find  
Ohh Ohh Ohh

Ohhh give me red leaves in fall  
Ohhh don't need much else at all  
Ohhh you know you can't go wrong  
If you play a simple song

I don't need a diamond ring  
A trip to Paris in the Spring  
Don't need any of those things  
Ohhh Ohh Ohh

Don't wanna hear a symphony  
That's much too fancy for me  
Just play a simple melody  
Ohhh Ohh Ohhh

Ohhh give me red leaves in fall  
Ohhh don't need much else at all  
Ohhh you know you can't go wrong  
If you play a simple song

Give me a hug  
Give me a kiss  
Give me one or give me six  
All I need's a simple touch  
Ohhh Ohh Ohh

Go 'head and pour me some wine  
Be it red or be it white  
It's all good it's all find

Ohh Ohh Ohh

Ohhh give me red leaves in fall  
Ohhh don't need much else at all  
Ohhh you know you can't go wrong  
If you play a simple song
