

All of My Love

Monique Ford

Yes I sat down and read your letter today
You know it took me along time to get over you
but I did it even when it hurt me the most I'm sorry but your love it just don't hurt no more

I read your letter just the other day
I never thought it would happen to us
Or had to be this way (you lied to me)
Soo many times you even broke my heart
You knew you was lying to me baby
from the very start ooooohhhhh

I gave you all of my love
Gave you my mind, body, and soul
But you took my love for granted (oh yes you did)
You buried my heart in the cold
I gave you all of my love
Gave you my mind body and soul
But you took my love for granted (oh yes you did)
You buried my heart in the cold

U knew that I loved you baby and I would do anything for you
When you come home from work yeah
there was nothing nothing for you to do
But you never appreciated my love
No you never never appreciated my time

I hope you are happy with your life baby because I am satisfied with mineeeee

I gave you all of my love
Gave you my mind, body, and soul
But you took my love for granted (oh yes you did)
You buried my heart in the cold
I gave you all of my love
Gave you my mind, body, and soul
But you took my love for granted (oh yes you did)
You buried my heart in the cold

I'm taking this letter and I'm throwing it away
You know I can't dwell on the past
It's time to put that behind me
Yeah you hurt me you know you even did me wrong
But life goes on (ooohhh yeeeeaaaa)
I gave you all of my love
Gave you my mind body and soul
But you took my love for granted (oh yes you did)

You buried my heart in the cold
I gave you all of my love
Gave you my mind, body, and soul
But you took my love for granted (oh yes you did)
You buried my heart in the cold
You never appreciated my lovin baby
You never appreciated my time
