

What Will It Take

Michael Heart

I heard about what happened last night.
I can't say I'm real surprised.
I heard about your midnight fight
and the way that he made you cry.
Well, I ain't going to say I told you so,
'cause by now, I really think you ought to know.

But what will it take
for you to see the truth
and what a big mistake
he's been for you?
Don't mean to criticize,
but I hate to see you cry this way.
So, what will it take?

Well, the last time you caught him in his lie,
you were so sure that he'd change.
And the time before, you bought his alibi
and you simply took all the blame.
Yeah. Well, I don't think there's much of a mystery.
You can't convince your heart of what I know your mind must see.

But what will it take
for you to see the truth
and what a big mistake
he's been for you?
Now, I don't mean to pry,
but I hate to see you cry this way.
So, what will it take?

You know I always will be there for you.
You can always count on me.
And even though there's not much I can do,
it's only you can set yourself free,
FREE!

I can't stand to see you cry like this
any more!

And what will it take

for you to see the truth
and what a big mistake
 heâ€™s been for you?
 Donâ€™t mean to criticize,
but I hate to see you cry this way.
 So, what will it take?
 What will it take?
Tell me, â€™cause I donâ€™t know.
 Donâ€™t want to criticize,
but I hate to see you cry this way.
 So, what will it take?
 Yeah, what will it take?
 Ohhhh, Yeah
 Donâ€™t wanna criticize â€™
