

# All You Really Need Is Love

[Brad Paisley](#)

So you say you wanna tie the knot  
And you're askin' me if I think that the two of you have got  
What it takes to make it work  
Well, one thing's for sure all you really need is love Yeah, let me say, I'm happy for you both  
And here's a little something that the two of you should know  
If you want to do it right, well, take my advice  
All you really need is love And a license and a blood test and a bunch of invitations  
A minister, a white dress and of course, a congregation  
And flowers and music and candles and cake  
And a bunch of rice for folks to throw as you drive away Now what's that expression on your face?  
You're lookin' kind of pale, is everything okay?  
Don't worry, you'll be fine if you just keep in mind  
That all you really need is love  
[Incomprehensible] Oh and bridesmaids and groomsmen and a wedding coordinator  
And food for the reception, you'll need someone to cater  
Did I forget to mention it'll take a couple rings  
And of course a P.A. system if you're wantin' me to sing Well, you look so happy, you could cry  
And that explains the tear drops I see wellin' in your eyes  
Don't worry, you'll be fine if you just keep in mind  
All you really need is love Yeah, I'm sure, I'm tellin' you  
Something you already knew  
All you really need is love
