Good Bad Boy (Album Version)

Joe Jackson

We hear you, we see it
You do it like you wanna be it
Come with a guise, we guarantee itGet in the line and be a good bad boy
Get in the line and be a good bad boyWe got it, we're loaded
And we can write you like a sonnet
But you can't fight us if you wantedGet in the line and be a good bad boy
Get in the line and be a good bad boyYou're our kind of rebel
It's your kind of crime
'Cause everyone gets one chanceSo scowl for the camera
But don't howl at the moon
Be a good bad boyWe move it, we shake it
And we're not askin' you to fake it
But we're not just about to take itGet in the line and be a good bad boy
Get in the line and be a good bad boyc'mon now, the first swing
We gotta get your body workin'
You're gonna sweat until you're hurtingGet in the line and be a good bad boy
Get in the line and be a good bad boyWe'll take out some clothes and
We'll take out some crowns
And then we can start to danceSo snarl for the camera
But don't lodge it too soon
Be a good bad boySo pout for the camera
But don't shout out the tune
Be a good bad boyGet in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boyGet in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boy
Get in the line and be a good bad boy
