

# Never Let You Go

Alex Clare

No you're not small  
You're big enough to fill my heart  
Surprised myself when I made room for someone else  
Who'd ever thought I'd fall so far to pull myself back up  
Life can be crazy sometimes I was filled with hope  
When I saw your face  
I just can't be sure  
If tomorrow will be better babe  
One thing that you should know  
One thing that you should know Is I will never let you go  
Never gonna let you go  
I will never let you go  
Never gonna let you go  
Never gonna let you go There's a lot of minds  
Who tell you how to think and feel  
And a lot of times pull you this way and that way  
If not around, listen to what your heart says I'm so filled with hope  
When I see your face  
I just can't be sure  
If we'll ever find a better way  
One thing that you should know  
One thing that you should know Is I will never let you go  
Never gonna let you go  
I will never let you go  
Never gonna let you go And I will never let you go  
Never gonna let you go  
I will never let you go  
No no no  
Never gonna let you go Never, never, never let you go  
Never, never, never let you go  
Never, never, never let you go  
Never, never, never let you go? you sunrise (never, never, never let you go)  
I'll be yours and you'll be mine Â (never, never, never let you go)  
One thing that I'll let you know (never, never) I will never ever let you go  
Never gonna let you go  
And I will never let you go  
Never gonna let you go  
And I will never let you go  
Never gonna let you go

Never, ever let you goNever gonna let you go
