

Peepin' Eyes

Charlie Feathers

When you walk down the street

I always take a peek

Peepin' eyes lookin' at you

I asked her for a date

She said a quarter till eight

Though I was never late

But had another date

Peepin' eyes, deep inside

Peepin' eyes lookin' at you

Peepin' eyes, wanted to cry

Peepin' eyes lookin' at you

I caught her on the run

She said, you son of a gun

Peepin' eyes been lookin' at me

Well, she jumped up to fight

I said, that ain't right

'Cause peepin' eyes are lookin' at you

Peepin' eyes, deep inside

Peepin' eyes lookin' at you

Peepin' eyes, want to cry

Peepin' eyes lookin' at you
