What I'm Looking For (Ad Version)

Brendan Benson

Well I don't know what I'm looking for
But I know that I just wanna look some more
And I won't be satisfied
Till there's nothing left that I haven't tried
For some people it's an easy choice
But for me there's a devil and an angel's voice
Well I don't know what I am looking for
But I know that I just wanna look some moreWell I don't know what I'm living for
But I know that I just wanna live some more
And you hear it from strangers and you hear it from friends
That love never dies and love never ends
And I don't wanna argue, no I don't wanna fight
'Cause you're always wrong and I'm always right
Well I don't know what I am living for
But I know that I just wanna live some moreI used to be involved and I felt like a king
Now I've lost it all and I don't feel a thing
I may never grow old, I may never give in
And I'll blame this world that I live in
I visit hell on a daily basis
I see the sadness in all your facesI've got friends who have married and their lives seem complete
Here I am still stumbling down a darkened street
Darkened street and I act like a child and I'm insecure
And I'm filled with doubt and I'm immature
Sometimes it creeps up on me and before I know it, I'm lost at sea
But no matter how far I row, I always find my way back home
But I don't know what I've been waiting for
But I know that I don't wanna wait anymore
