

Bullshit

Mindless Self Indulgence

After this the rest is all bullshit
After this the rest is all bullshit
After this the rest is all bullshit
After this the rest is all bullshit I'm so down underground, I be scalping all my tickets
Forging all my sound scans like y'all could tell the difference
The mission fishing for the disenfranchised little kids
Then shoot them in a barrel it's so easy when they're pissed Undereducated extra caffinated, I just masturbated
now I'm motivated
Cant live with us, you cant live without us
I take and [Inaudible] my paycheck
You can call me 'Little Miss Piss With A Kiss'
And after all this the rest is all bullshit You'll love it, you'll love it
You'll love it, you'll love it After this the rest is all bullshit
After this the rest is all bullshit
After this the rest is all bullshit
After this the rest is all bullshit I bump it like a pimp on stage to save face
I over compensate with the very bad taste
No offense, no offense, sick of your parents
About to take a stance in your children underpants No accident that you will pay my rent
And I am free to download all the porno from the Internet
A puppet on a shtick, shtick not too fucken quick, quick
Now that I'm a prick prick y'all can jock my dick Say no to brains it's a no brainier
Lowest common demoninator
Pays the bills to be his sterile
Fuck me now rip me off later You'll love it, you'll love it
You'll love it, you'll love it After this the rest is all bullshit
After this the rest is all bullshit
After this the rest is all bullshit
After this the rest is all bullshit You can call me 'Little Miss Piss With A Kiss'
You can call me 'Little Miss Piss With A Kiss'
(You cant live with us, you cant live without us)
You can call me 'Little Miss Piss With A Kiss'
You can call me 'Little Miss Piss With A Kiss'
(You cant live with us, you cant live without us)
