## Cocteau Twins

Sorrow for letting someone else
Define you know who you are at every age
What impression am I making?
I see me as other people see meThere is no going back, I can't stop feeling now
I am not the same, I'm growing up again
I am not the same, I'm growing up again
There's no going back, I can't stop feeling nowI had to fantasize
I was a princess, Mum and Dad were queen and king
I ought to have what feeling?
I see me as other people see meThere is no going back, I can't stop feeling now
I am not the same, I'm growing up again
I am not the same, I'm growing up again
There's no going back, I can't stop feeling now
Feeling nowThere is no going back, and I can't stop feeling now
I am not the same, I'm growing up again
I am not the same, I'm growing up again
There's no going back I can't stop feeling nowI had to fantasize
Just to survive
I was a famous artist
Everybody took me seriouslyEven those who didn't
Were not close to me
I had to fantasize
Just to survive
