Flying High

Corey Smith

I'm flying high, but I'm feeling low.
I'm in my prime, but I'm feeling old.
I'm on my way, but I'm far behind.
Oh, life's been good, but it ain't been kind.If you believe the heart won't lie,
you're bound to love and you're bound to cry.The truth be told, we can't go back.
We don't know freedom until we fall off track.
We're on our way, but we're far behind.
Life's been good, but it ain't been kind.Carry me home. There's no time to spare.
The ones I love most are waiting on me there.
