

Call on Me (Demo Version)

The Bangles

Well, if you're feelin' down (down)
You know I'll be around (all around)
And you know that you can call on me
You wish you were dead
Take a breath instead
Yeah, take a piece of everything you see

And you know that the world is there for you
Life's a change, so what are you gonna do
Your eyes are painted blue
Look again, you'll see it's true, yeah

Your head's spinning around
Your thoughts bring you down
But you know that you can call on me

And you know that the world is there for you
Life's a change, so what are you gonna do
Your eyes are painted blue
Look again, you'll see it's true.
