

# Sucker

[John Mayer](#)

Sometimes, I wish that I was the weather  
You'd bring me up in conversation forever  
And when it rained, I'd be the talk of the day  
Oh, sometimes I wish that I was a cold beer  
I'd rest assured that you would hold me near  
I'd be guaranteed to be just what you need  
And there could be no other way, 'cause you're so, you're so lame  
Your tired words are all, they're all the same  
Yeah, I would walk and I'd surely walk away  
If I wasn't such a sucker for you  
Sometimes, I wish that I was a bong hit  
You'd let me in and you would love every minute  
And tell the room the things I did to you  
Oh, and there could be no other way, 'cause you're so lame  
Your tired words are all, your tired words are all the same  
Yeah, I would walk, you know I'd surely walk away  
If I wasn't such a sucker for you  
I see your world with rosy colored glasses on  
Wanna right what I see wrong  
I could never have that power over you  
Someday, I'm gonna pack up and leave this town  
I'm gonna get my own things goin' on  
And when I do, I'll forget, I'll forget  
I'll forget about how, how you're so, you're so lame  
Your tired words are all, your tired words are all the same  
And I would walk, you know I'd, I'd walk away  
If I wasn't such a sucker for you  
I wasn't such a sucker for you  
I wasn't such a sucker for you
